## Camping Option at Yanayacu Tributary

Guests can switch their stay at the Maniti Eco-Lodge for an unforgettable camping night at the Yanayacu tributary, with no extra charge.

This experience offers a deeper connection to the Amazon rainforest, while still enjoying all the same activities from our lodge itineraries. Whether it's spotting wildlife, guided nature walks, or exploring the river by boat, you'll get the same amazing adventure, plus the excitement of camping under the stars in the heart of the jungle.

## Sport Fishing

**Start Time:** Between 08:00 and 11:00, depending on your arrival flight in Iquitos.

**End Time:** Between 18:00 and 18:30 hrs.

### Unique Exploration Adventure

This isn't just a fishing trip—it's a camping expedition that allows you to fully immerse yourself in the Amazon's stunning natural beauty. While on the water, you'll have the chance to encounter a variety of wildlife and take in the breathtaking sights as we fish.

Our Amazon fishing tour does not follow a fixed itinerary; it's an exploration adventure. We will navigate based on the species we encounter along the way. Primarily targeting peacock bass, you'll also have the opportunity to catch other exciting species, including catfish, freshwater stingrays, and more.
